Geographic growth of the PeMS sensor network, by Caltrans district

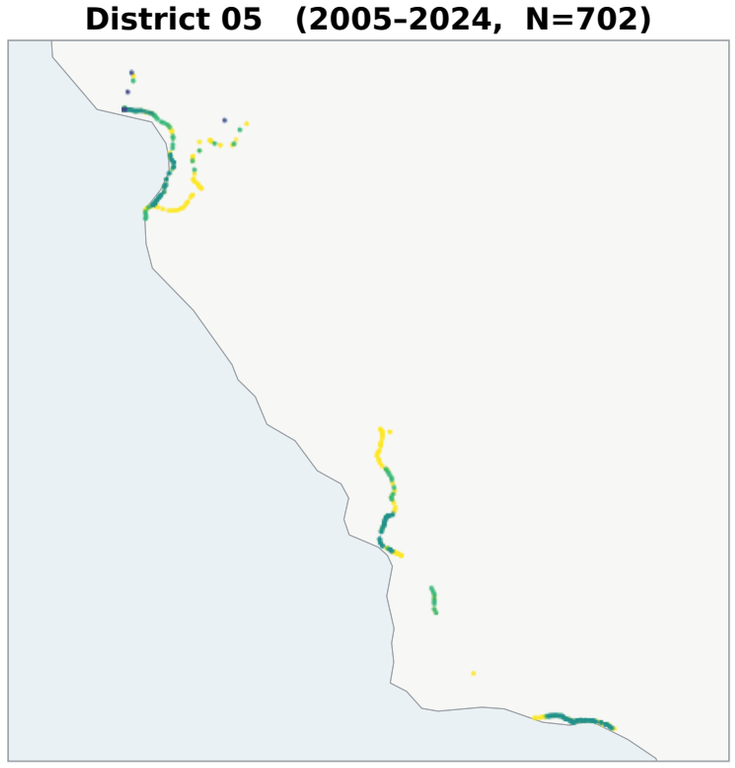

District 03 (2001–2024, N=2178)

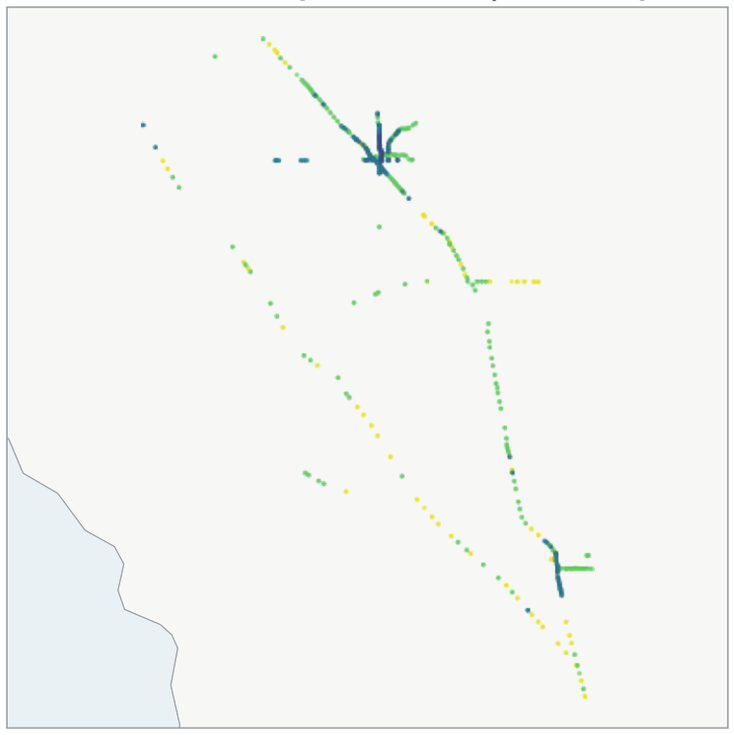

District 04 (2001–2024, N=4892)

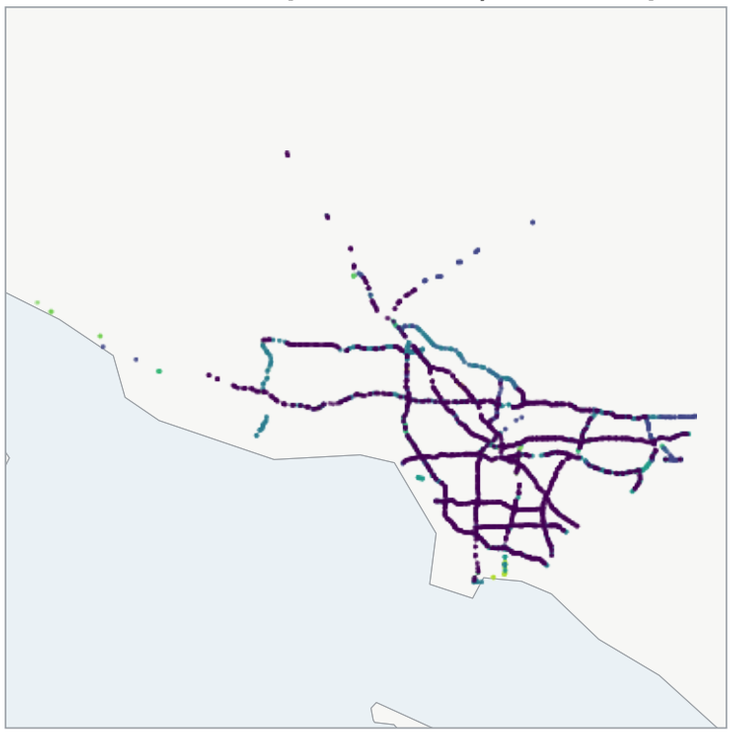

District 05 (2005–2024, N=702)

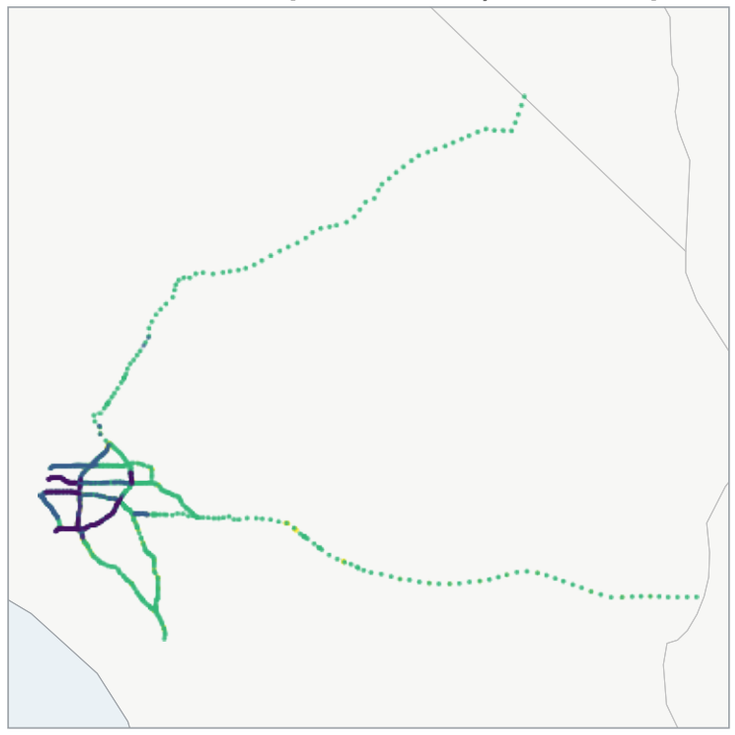

District 06 (2005–2023, N=883)

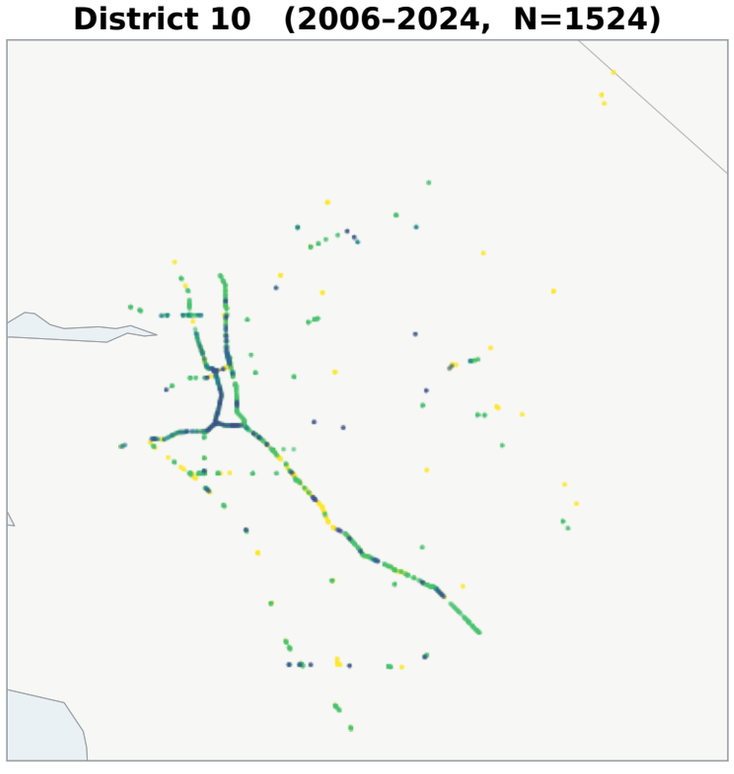

District 07 (2000–2023, N=5152)

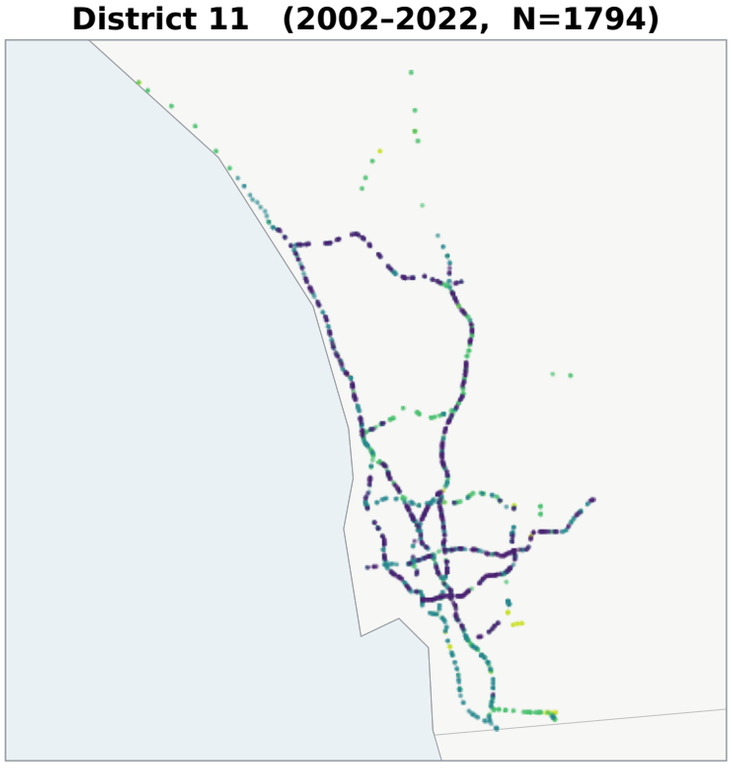

District 08 (2001–2024, N=2670)

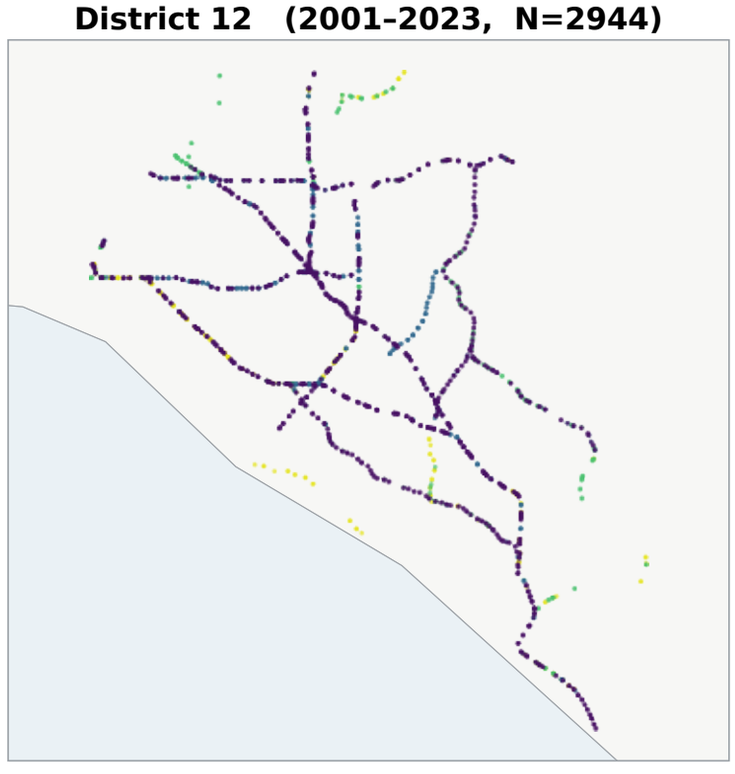

District 10 (2006–2024, N=1524)

District 11 (2002–2022, N=1794)

District 12 (2001–2023, N=2944)

Sensor first-seen year (deployment cohort)

Each dot = one sensor, colored by the year it first appears. All panels are equal-size, equal-scale squares sharing one color scale. Natural Earth vector basemap.
